Délka: **jednoletý**

## Vztah k maturitní zkoušce, prerekvizity

žádný

## Hlavní cíle semináře

Students will:

- Find out about the history of the UK and the spread of the British empire to countries such as New Zealand, Australia, Africa and North America
- See how the modern anglo-saxon countries are affected by their history
- Practice all English skills, e.g. reading, writing, speaking and listening
- Prepare students for the relevant parts of English and History Maturita
- Prepare students for university courses in International Relations, Law and Social and Political Sciences

## Obsah (tematické celky)

- mini-projects (research+presentation in one class)
- presentations
- debates
- essays
- videos/powerpoint presentations/games + puzzles

# Schedule/Syllabus:

## **Semester 1:**

- Focus on History of Anglo-Saxon Countries (British Isles, USA, Commonwealth)
- Review of key periods of British History (including students own research)
- Creation and growth of USA to a superpower
- Colonisation of the Dominions and integration into the Commonwealth
- Students debate the most "popular issues"
- Students present a famous incident/personality from the period.

## **Semester 2:**

Focus on Politico-Geographic vs. Cultural Issues in each country:

a) Students present and prepare fact sheets on:

- Political, Geographic and historical basis of the state
- Key parts of the country's culture, education, sights, ethnic identity

b) Mock Maturita on chosen subject.
