

# The Culture of Europe - (úroveň B2+)

pro školní rok 2021/2022

Zkratka: **VEUR**  
Vyučující: **Steve Chalk**  
Ročník: **předmaturitní i maturitní**  
Délka: **jednoletý**

## Vztah k maturitní zkoušce, prerekvizity

Absolvování semináře není nutnou podmínkou pro skládání maturitní zkoušky z angličtiny. However, it will be useful for the school Maturita in English, Geography and History.

## Pro koho je seminář určen a doporučen

This seminar is useful for students who would like to:

- Learn about the peoples of various parts of Europe, from Scandinavia to the Mediterranean, the Black Sea to the Atlantic.
- Investigate what makes the culture of these peoples distinctive - ethnicities, languages, customs, sports and history
- Have an introduction to the various language families (e.g. East Slavonic, Scandinavian, Romance, Celtic and Finno-Ugric)
- Practice all English skills, e.g. reading, writing, speaking and listening
- Prepare students for the relevant parts of the school English, Geography and History Maturita
- Prepare students for university courses in International Relations, European Studies, Linguistics and the Humanities in general

## Pro které vysokoškolské obory je předmět vhodný

- English + Linguistics

## Obsah (tematické celky)

1. Presentations, projects and discussions about the different cultures in Europe
2. Map-reading skills to understand urban design, landscape and other features
3. Research skills: History as a part of culture - separating fact from fiction
4. Linguistics: a look at the similarities and differences of European languages

5. Civic skills: European-ness - what is our common culture?
